KENTUCKY HOUSING CORPORATION SERVE: Registered Agent Jeremy Ratliff 1231 Louisville Road Frankfort, KY 40601

COMPLAINT FOR FORECLOSURE

Plaintiff, the United States of America, states as follows:

- 1. This is a mortgage foreclosure action brought by the United States of America on behalf of its agency, the United States Department of Agriculture Rural Housing Service also known as Rural Development (hereinafter collectively "RHS").
- 2. Jurisdiction arises under 28 U.S.C. § 1345. Venue is proper in this judicial division, where the subject property is located.
- 3. RHS is the holder of a promissory note ("the Note") executed for value on December 7, 2007 by Defendant **Kelly J. Nesmith** ("the Borrower"). The principal amount of the Note was \$122,600.00, bearing interest at the rate of 6.0 percent per annum, and payable in

monthly installments as specified in the Note. A copy of the Note is attached as **Exhibit A** and incorporated by reference as if set forth fully herein.

- 4. The Note is secured by a Real Estate Mortgage (the "Mortgage") recorded on December 13, 2007, in Mortgage Book 1614, Page 0160, in the Office of the Clerk of Daviess County, Kentucky. Through the Mortgage, the Borrower, unmarried, granted RHS a first mortgage lien against the real property including all improvements, fixtures and appurtenances thereto at 6288 Waterfield Drive, Owensboro, Daviess County, Kentucky (the "Property") and described in more detail in the Mortgage. A copy of the Mortgage is attached as **Exhibit B** and incorporated by reference as if set forth fully herein.
- 5. To receive subsidies on the loan, the Borrower signed a Subsidy Repayment Agreement authorizing RHS to recapture, upon transfer of title or non-occupancy of the Property, any subsidies granted to the Borrower by RHS. A copy of the Subsidy Repayment Agreement is attached as **Exhibit C** and incorporated by reference as if set forth fully herein.
- 6. The United States does not seek through this action to impose personal liability against the Borrower for the Borrower's default on the Note and Mortgage. On June 24, 2015, the Borrower filed a Chapter 7 bankruptcy petition in the Bankruptcy Court for the Western District of Kentucky, Case No. 15-40540. The Bankruptcy Court granted the Borrower a discharge from personal liability on October 6, 2015.
- 7. The Borrower has defaulted on the Note and Mortgage by failing to make payments when due.
- 8. RHS has, in accordance with the loan documents, accelerated the loan and declared the entire principal balance, together with all accrued and unpaid interest and all other sums due under the loan documents, to be due and payable. Further, RHS sent notice to the Borrower of the default and acceleration of the loan.

- 9. In accordance with the loan documents, the United States is entitled to enforce the Mortgage through this foreclosure action and to have the Property sold to pay all amounts due, together with the costs and expenses of this action.
- 10. The unpaid principal balance on the Note is \$109,003.94 with accrued interest of \$19,781.90 through September 16, 2019 with a total subsidy granted of \$30,637.20, late charges in the amount of \$199.29, and fees assessed of \$9,481.34, for a total unpaid balance of \$169,103.67 as of September 16, 2019. Interest is accruing on the unpaid principal balance at the rate of \$19.32928 per day after September 16, 2019.
- 11. The Property is indivisible and cannot be divided without materially impairing its value and the value of RHS's lien thereon.
- 12. The Mortgage granted to RHS by the Borrower is a purchase money mortgage. The United States is unaware if the Borrower has a spouse, but even if such spouse existed, pursuant to KRS 392.040(1), any surviving spouse shall not have a spousal interest in land sold in good faith after marriage to satisfy an encumbrance created before marriage or to satisfy a lien for the purchase money.
- by virtue of a Mortgage recorded on March 23, 2015 in Mortgage Book 2045, Page 922 in the Daviess County Clerk's Office, a copy of which is attached as **Exhibit D**. The interest of this Defendant is inferior in rank and subordinate in priority to the first mortgage lien on the Property in favor of RHS, and the Plaintiff calls upon this Defendant to come forth and assert its interest in or claim upon the Property, if any, and offer proof thereof, or be forever barred.
- 14. There are no other persons or entities purporting to have an interest in the Property known to the Plaintiff.

WHEREFORE, Plaintiff, the United States of America, on behalf of RHS, demands:

- a. In rem judgment against the interests of the Borrower in the Property in the principal amount of \$109,003.94 with accrued interest of \$19,781.90 through September 16, 2019 with a total subsidy granted of \$30,637.20, late charges in the amount of \$199.29, and fees assessed of \$9,481.34, for a total unpaid balance of \$169,103.67 as of September 16, 2019, with interest accruing at the daily rate of \$19.32928 from September 16, 2019 until the date of entry of judgment, and interest thereafter according to law, plus any additional costs, disbursements and expenses advanced by the United States;
- b. That the United States be adjudged a lien on the Property, prior and superior to any and all other liens, claims, interests and demands, except liens for unpaid real estate ad valorem taxes;
- c. That the United States' lien be enforced and the Property be sold in accordance with 28 U.S.C. §§ 2001-2003 subject to easements, restrictions and stipulations of record, but free and clear of all other liens and encumbrances except liens for any unpaid ad valorem real property taxes;
- d. That the proceeds from the sale be applied first to the costs of this action, second to any ad valorem real property taxes, if any, third to the satisfaction of the debt, interest, costs and fees due the United States, with the balance remaining to be distributed to the parties as their liens or interests may appear;
 - e. That the Property be adjudged indivisible and be sold as a whole; and

f. That the United States receive any and all other lawful relief to which it may be entitled.

LATE CHARGES. If the Government has not received the full amount of any monthly payment by the end of 15 days after the date it is due, I will pay a late charge. The amount of the charge will be 4 percent of my overdue payment of principal and interest. I will pay this charge promptly, but only once for each late payment.

BORROWER'S RIGHT TO PREPAY. I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." When I make a prepayment, I will tell the Government in writing that I am making a prepayment.

I may make a full prepayment or partial prepayment without paying any prepayment charge. The Government will use all of my prepayments to reduce the amount of principal that I owe under this Note. If I make a partial prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Government agrees in writing to those changes. Prepayments will be applied to my loan in accordance with the Government's regulations and accounting procedures in effect on the date of receipt of the payment.

ASSIGNMENT OF NOTE. I understand and agree that the Government may at any time assign this note without my consent. If the Government assigns the note I will make my payments to the assignee of the note and in such case the term "Government" will mean the assignee.

CREDIT ELSEWHERE CERTIFICATION. I certify to the Government that I am unable to obtain sufficient credit from other sources at reasonable rates and terms for the purposes for which the Government is giving me this loan.

USE CERTIFICATION. I certify to the Government that the funds I am borrowing from the Government will only be used for purposes authorized by the Government.

LEASE OR SALE OF PROPERTY. If the property constructed, improved, purchased, or refinanced with this loan is (1) leased or rented with an option to purchase, (2) leased or rented without option to purchase for 3 years or longer, or (3) is sold or title is otherwise conveyed, voluntarily or involuntarily, the Government may at its option declare the entire remaining unpaid balance of the loan immediately due and payable. If this happens, I will have to immediately pay off the entire loan.

REQUIREMENT TO REFINANCE WITH PRIVATE CREDIT. I agree to periodically provide the Government with information the Government requests about my financial situation. If the Government determines that I can get a loan from a responsible cooperative or private credit source, such as a bank or a credit union, at reasonable rates and terms for similar purposes as this loan, at the Government's request, I will apply for and accept a loan in a sufficient amount to pay this note in full. This requirement does not apply to any cosigner who signed this note pursuant to section 502 of the Housing Act of 1949 to compensate for my lack of repayment ability.

SUBSIDY REPAYMENT AGREEMENT. I agree to the repayment (recapture) of subsidy granted in the form of payment assistance under the Government's regulations.

CREDIT SALE TO NONPROGRAM BORROWER. The provisions of the paragraphs entitled "Credit Elsewhere Certification" and "Requirement to Refinance with Private Credit" do not apply if this loan is classified as a nonprogram loan pursuant to section 502 of the Housing Act of 1949.

DEFAULT. If I do not pay the full amount of each monthly payment on the date it is due, I will be in default. If I am in default the Government may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Government may require me to immediately pay the full amount of the unpaid principal, all the interest that I owe, and any late charges. Interest will continue to accrue on past due principal and interest. Even if, at a time when I am In default, the Government does not require me to pay immediately as described in the preceding sentence, the Government will still have the right to do so if I am in default at a later date. If the Government has required me to immediately pay in full as described above, the Government will have the right to be paid back by me for all of its costs and expenses in enforcing this promissory note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorney's fees.

All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rems on the Property, if any; (c) yearly hazard or property insurance premiums; and (d) yearly flood insurance premiums, if any. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et [Property | 1975] unless another law or federal regulation that applies to the Funds sets a lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held by a federal agency (including Lender) or in an institution whose deposits are insured by a federal agency, instrumentality, or entity. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. 2. Application of Payments. Unless applicable law or Lender's regulations provide otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied in the following order of priority: (1) to advances for the preservation or protection of the Property or enforcement of this lien; (2) to accrued interest due under the Note; (3) to principal due under the Note; (4) to amounts required for the escrow items under paragraph 2; (5) to late charges and other fees and charges.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the navments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Lender has agreed in writing to such lien or Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice

identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within ten (10) days of the giving of notice.

Borrower shall pay to Lender such fees and other charges as may now or hereafter be required by regulations of Lender, and pay or reimburse Lender for all of Lender's fees, costs, and expenses in connection with any full or partial release or

subordination of this instrument or any other transaction affecting the property.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurer providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, at Lender's rights in the Property unreason to protect Lender's rights in the Property

may obtain coverage to protect Lender's rights in the Property pursuant to paragraph 7.

All insurance policies and renewals shall be in a form acceptable to Lender and shall include a standard mortgages clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the same secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within thirty (30) days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The thirty (30) day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If after acceleration the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security laws and the security to the acquisition.

Instrument immediately prior to the acquisition.

6. Preservation, Maintenance, and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall maintain the improvements in good repair and make repairs required by Lender. Borrower shall comply with all laws, ordinances, and regulations affecting the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Leader's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender is not required to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Refinancing. If at any time it shall appear to Lender that Borrower may be able to obtain a loan from a responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes, Borrower will, upon the Lender's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby in full.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give

Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and

shall be paid to Lender. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the smount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the relief of the following fraction: following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured hereby immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within thirty (30) days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to

in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Walver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower and any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 16. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the

Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in

14. Governing Law; Severability. This Security Instrument shall be governed by federal law. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable. This instrument shall be subject to the present regulations of Lender, and to its future regulations not inconsistent with the express provisions hereof. All powers and agencies granted in this instrument are coupled with an interest and are irrevocable by death or otherwise; and the rights and remedies provided in this instrument are cumulative to remedies provided by law.

15. Borrower's Copy. Borrower acknowledges receipt of one conformed copy of the Note and of this Security

Instrument.

16. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is leased for a term greater than three (3) years, leased with an option to purchase, sold, or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent,

Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument.

17. Nondiscrimination. If Borrower intends to sell or rent the Property or any part of it and has obtained Lender's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower, will refuse to negotiate for the sale or rental of the Property or will otherwise make unavailable or deny the Property to anyone because of race, color, religion, sex, national origin, handicap, age, or familial status, and (b) Borrower recognizes as illegal and hereby disclaims and will not comply with or attempt to enforce any restrictive covenants on dwelling relating to race, color, religion, sex, national origin, handicap, age or familial status.

18. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 13 above and applicable law. The notice ORNOK 1614 PAGE 0164

will state the name and address of the new Loan Servicer and the address to which payments should be made.

19. Uniform Federal Non-Judicial Foreclosure. If a uniform federal non-judicial foreclosure law applicable to foreclosure of this security instrument is enacted, Lender shall have the option to foreclose this instrument in accordance with

such federal procedure.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any hazardous substances on or in the Property. The preceding sentence shall not apply to the presence, use, or storage on the Property of small quantities of hazardous substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any federal, state, or local environmental law or regulation.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any hazardous substance or environmental law or regulation of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any hazardous substance affecting the Property is necessary, Borrower

shall promptly take all necessary remediation of any nazardous substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with applicable environmental law and regulations.

United States Department of Agriculture Rural Housing Service

Form Approved OMB No. 0575-0172

SUBSIDY REPAYMENT AGREEMENT

Only one agreement should be executed by the subject borrower for the subject property. The agreement is completed at the closing of the first Agency loan to the borrower regardless of whether or not they qualify for payment assistance at that time.

- 1. As required under section 521 of the Housing Act of 1949 (42 U.S.C. 1490a), subsidy received in accordance with a loan under section 502 of the Housing Act of 1949 is repayable to the Government upon the disposition or noncompancy of the security property. Deferred mortgage payments are included as subsidy under this agreement.
- 2. When I fail to occupy or transfer title to my horne, recapture is due. If I refinance or otherwise pay in full without transfer of title and continue to occupy the property, the amount of recapture will be esteviated but: payment of recapture can be deferred, interest free, until the property is subsequently sold or vecsted. If deferred, the Government marriage can be subcodinated but will not be released nor the promissory note satisfied until the Government is paid in full. In situations where deferment of recapture is an option, recapture will be discounted 25% if paid in full at time of settlement.
- Calculating Original Equity.

For Self-Hulp loans, the market value is the appraised value as determined at the time of loan approval/obligation, which is subject to completion per plans and specifications. If the house is not ultimately furnished under the Self-Help program, an amended agreement using the market value definition for all other transactions as outlined below must be completed.

For all other transactions, the market value is the lower of the:

Sales price, construction/rehabilitation cost, or total of these costs, whichever is applicable

Appraised value as determined at the time of loan approval/obligation.

If the applicant owns the building site free and clear or if an existing non-Agency debt on the site without a dwelling will not be refinanced with Agency funds, the rearkst value will be the lower of the appraised value or the construction cost plus the value of the sitc.
